

# *Fil Campbell*

WITH TOM MCFARLAND

Irish singer Fil Campbell lives the songs that she sings - whether she's singing the popular Irish folk songs of the 30s and 40s, traditional songs, contemporary pieces or her own material. Accompanied by Tom McFarland's sensitive percussion playing and vocals and her own guitar playing, the duo present an evening of stories, choruses and fun with the odd bit of folk history thrown in for good measure.
